

WELCOME TO THE 39th Annual Delta Ag Expo

You are invited to the 2012 Delta Ag Expo. The Delta Ag Expo provides farmers and others interested in agriculture an opportunity to see the latest technology in agricultural products, services, and information. You will have the opportunity to view agricultural exhibits and talk with extension and research personnel and get up-to-date information for planning your crop year.

SEMINARS

Educational seminars featuring outstanding extension, research, and industry professionals will provide the latest research-proven information aimed at assisting producers. Seminars will be held in the meeting complex located adjacent to the exhibit hall.

SEMINAR HIGHLIGHTS:

- Water and Irrigation Regulations Open Panel Discussion
- Rice Update/Roundtable Discussion
- Soybean Update/Roundtable Discussion
- Cotton Update/Roundtable Discussion
- Small Grains Update/Roundtable Discussion
- Home Horticulture (Vegetables/Ornamentals)

EXHIBITS

Over 100 commercial exhibits will represent every phase of agriculture and demonstrate innovative production practices.

HISTORY

The first Delta Ag Expo was held in 1974 as the first regional farm show in Mississippi. It was established to meet specific objectives:

- Improve lines of communication between industry, research, extension and farmers.
- Provide a setting for production seminars on various crops.
- Demonstrate the latest technology in machinery, chemicals and production practices.
