12:00 – 1:00 Lunch for participants

## WELCOME

Welcome to the 2013 Corn and Soybean Field Day at Mississippi State's Delta Research and Extension Center (DREC).

Our Corn and Soybean Field Day is one way scientists and Extension specialists associated with our Stoneville, Miss., research center transfer the latest, most pertinent scientific studies and technology to area producers.

The DREC is a component of Mississippi State University's Division of Agriculture, Forestry and Veterinary Medicine. Personnel are employed by the Mississippi Agricultural and Forestry Experiment Station (MAFES), the MSU Extension Service and MSU's College of Veterinary Medicine.

Please enjoy your stay at the DREC. Let us know if we can be of service to you.

Joe Street, Ph.D.

Interim Head, DREC

### **\*\* Attention Certified Crop Advisors \*\***

*Please sign up for Continuing Education Units (CEU) at the Registration Desk in the lobby of the Charles W. Capps, Jr. Entrepreneurial Center*
