

## 2019 MAFES Foundation Sweetpotato Plant Order Form

The Mississippi State University Agriculture Forestry Experiment Station (MAFES) is making second cutting, greenhouse-grown, G0 sweetpotato slips available for purchase for the first time in 2019. This offering is intended for prospective certified seed producers to gain experience in the production of virus-tested, foundational material.

1. Please submit your plant order on this form by mail, e-mail, or fax to Casey Watts:  
**P.O. Box 1690, Verona, MS 38879 Fax: 662-566-4969 Email: casey.watts@msstate.edu**
2. Orders will be accepted October 1, 2018 through October 31, 2018.
3. Orders are for **second-cutting**, greenhouse-grown, G0 slips only.
4. Orders must be paid for by the time of pick-up, approximately June 15, 2019.
5. Approximate availability: 20,000 'Beauregard' B-14 slips; 5,000 'Beauregard' B-63 slips and 12,000 'Orleans' slips.
6. Orders made in excess of supply will be proportionately allocated among growers placing orders.
7. Slip price for **2019** is \$300 / 1,000 slips. This price is subject to change in future years based upon the operational costs associated with the MSU Foundation Sweetpotato Program.
8. The purchaser is responsible for all royalty fees associated with growing 'Orleans'. MSU will provide Louisiana State University with a list of producers who purchase 'Orleans' slips. LSU or Jones Family Farms will send an invoice directly to the purchaser for royalty payment on a per acre basis for all acres of 'Orleans' grown.
